

MHS PTSA NEWSLETTER

EDWARD S MARCUS HIGH SCHOOL

From The Principal

Hope everyone had a restful spring break! Boys & girls soccer, baseball, softball, and track did some awesome things during this time since they were still competing. It's hard to believe that the year is winding down (or from our perspective winding up). There's so much packed in these last eight weeks including but not limited to 4 days of TAKS testing, Prom, Project Celebration, 10 days of Advanced Placement exams, Senior Week, banquets, final exams, and GRADUATION. We wish the best to our soccer, baseball, softball, tennis, and track teams as they finish their seasons and head into the playoffs!!

I'm very proud of the Class of 2007 and wish them the very best. These seniors have done a great job in and out of the classroom, demonstrating positive attitudes about learning and helping others in the community. Many do not realize the incredible number of community service projects that our students do. FYI - I hope parents of Juniors and Seniors will "suggest" that their child attends the after-prom party (Project Celebration) held this year at Main Event and sponsored by the PTSA. It will be a fun (and safe) way to end the evening.

Important: TAKS tests are April 17-20. Soon, you should receive a letter from me detailing the testing schedule. Seniors, who have passed all TAKS tests, may arrive at 11:30 am each testing day. Also, there are TAKS tutoring sessions available so please have your child attend, if applicable. Check the newsletter and the Marcus website for other important upcoming events.

As always, I am certainly grateful for the great parent support. I'm proud to be the principal of Marcus H.S. because of the students and staff. If I can ever be of service, please let me know. Have a safe summer!

Sincerely,

Kevin Rogers, Principal

At our last general meeting, we elect new officers as well as honor our Magnificent Marauder recipients chosen throughout the school year. Almost 600
