

Project Celebration?!!!...

How many times have you read these words and still wonder what it is? Well - let me take this time to explain it and see if it becomes crystal clear.

The PTSA will again host a party the evening of prom in an effort to offer all the juniors and seniors from Marcus and their dates a safe, entertaining place to be following the prom. The students DO NOT have to attend prom to attend the party. This year's party will be off-campus at Main Event. For the past several years, Hebron High School has held their party at Main Event and had tremendous success. This year Lewisville High School and Marcus High School will be trying it for the first time to see if we have the same success.

Main Event will be handling the security, food, decorations and some of the chaperones. The students will be able to purchase tickets at the same time the school is selling prom tickets, for only \$10.00. Tickets that are not pre-bought will cost more at the door that evening. The students will have access to bowling, laser tag, stroke glow golf, billiard, shuffleboard, Max Flight, Blackjack and Texas Hold'em tables, Video/Arcade games, music and lots of food. What a DEAL!!!

The doors will open at 1:00 a.m. Tell the kids to go home and change into comfy clothes before heading up to Main Event. We will be giving away over \$2,000 (more if we can) worth of prizes. The big prizes won't be given out until the very end. Our evening of fun will come to a close at 5:00 a.m. You have to admit that is a ton of fun for only \$10.00! Keep in mind, we do not LOCK the students in, BUT once they leave, they cannot reenter.

If you would like to donate your time, money or a prize, or if you still have questions about what we are doing, please contact us at: marprojcelebrate@aol.com.

Kim Marquis

Project Celebration Says Thanks....

No it's not over and no we don't have all the money we need yet to throw the best and biggest party Marcus has ever seen, but we wanted to take time to thank those who have already made the choice to help make it happen.

A huge thanks to:

Ford Country
The Container Stores
Bowen Eye Care
Dr. Sankey, F. M. Orthodontist

Bigelow, Dance, Sharp & Co.
DATCU
Dr. Pat Shovlin
Vista Ridge Mall

Ousley Vision Center
United Community Bank

What phenomenal booster clubs we have stepping up to help, we thank:

Band
Girls Basketball
Baseball

Boys Basketball
Marquettes
Wrestling

Volleyball
Girls Soccer
Football

Marcus is built on our feeder schools and they support us from the ground up, thanks to:

Heritage Elementary
Briarhill Middle School

Downing Middle School
Bridlewood Elementary

McAuliffe Elementary
Highland Village Elementary

Not to mention the generosity of the city of Highland Village. We cannot conclude this without offering our gratitude to the parents who have sent in their contributions in an effort to help make this event possible.

The place to be after the Marcus Prom on April 21st is MAIN EVENT, 1-5 a.m.

Pre-sale tickets will be \$10.00. Additional information: marprojcelebrate@aol.com.
