Boys Next Door

An Off-Broadway success, this very funny yet very touching play focuses on the lives of four retarded men who live in a communal residence under the watchful eye of a sincere, but increasingly despairing, social worker. Filled with humor, the play is also marked by the compassion and understanding with which it peers into the half-lit world of its handicapped protagonists.

Chasing the White Rabbit, Alice tumbles down the rabbit hole into Wonderland. Christmas Belles

November 12th & 13th at 7:30pm, November 15th at 2:30pm

A church Christmas program spins hilariously out of control in this Southern farce about squabbling sisters, family secrets, a surly Santa, a vengeful sheep and a reluctant Elvis impersonator.

-*Christmas Belles* will also be presented at the Texas State Thespian Convention.

Fiddler on the Roof

January 28th, 29th, 30th and 31st, February 4th, 5th, 6th and 7th.

In the little village of Anatevka, Tevye, a poor dairyman, tries to instill in his five daughters the traditions of his tight-knit Jewish community in the face of changing social mores and the growing anti-Semitism of Czarist Russia. Rich in historical and ethnic detail, "Fiddler on the Roof" has touched audiences around the world with its humor, warmth and honesty. It's universal theme of tradition cuts across barriers of race, class, nationality and religion, leaving audiences crying tears of laughter, joy and sadness. The original production ran for seven years, nine months, setting a new record for long-running Broadway shows (musical or nonmusical) with 3,242 performances. Considered by many to be the last show of Broadway's "Golden Age," the show has become one of the few truly international smashes.

The Pink Panther Strikes Again

May 13th & 14th 7:30pm, May 16th 2:30pm

The world's most unusual criminologist, Chief Inspector Jacques Clouseau, fights for his life and for the future of all mankind in the most bizarre and dangerous caper of his brilliantly successful and utterly clumsy career. Paul Dreyfus, once his long-suffering boss now turned into a raving lunatic, holds the world at bay with the ultimate weapon, the Doomsday Machine. Dreyfus is out to get Clouseau, the man whose undeserved success has driven him crazy, and he threatens to vaporize continents if the nations of the world don't deliver Clouseau to him alive or, if at all possible, dead!
