These supplies are available in a packaged set from Marcus High School for a fee. The school is able to purchase the supplies in bulk, and the price is lower than when they are purchased individually. If the student chooses to get the supplies through Marcus, he/she will need to bring a check made out to Marcus High School in the amount of \$55. The package of supplies will be given to the student at that time, and will become the property and responsibility of the student. The student will still be expected to provide the paper towels and paint shirt which are not included in the supply fee. In lieu of the supply fee at Marcus, these supplies may be purchased individually at Hobby Lobby, MJ Designs, Aaron Brothers, Asel Art, or Wal Mart.

Sincerely,
